**Ashlyn® Monitor 14 Series Shower Kit**

DF-KIT6-WS  
Rough-in included  
Valve rough-in with stops

*Optional shower arm included*

All-in-one shower kits containing everything needed for a complete shower, including:

- Shower and diverter valve trims with cartridges
- MultiChoice® Universal rough-in and diverter rough-in
- Showerheads with shower arms and flanges
- Handshowers with slide bars, slide bar mounts and hoses

A variety of showering options to choose from, including:

- H2Okynamic® shower heads and hand showers
- Single and dual-function pressure-balancing showers
- TempAssure® thermostatic showers

## H2Okynamic® Technology

H2Okynamic Technology sculpts water into a unique wave pattern, giving you the feeling of more water without using more water.

**FINISHES INCLUDE:**

Chrome

Matte Black-BL  
(Pivot® model only)

Shower Kit

DF-KIT20-BL-WS  
Valve rough-in with stops  
Matte Black only

## MultiChoice® Universal

Once the MultiChoice rough is installed, future shower function upgrades or style changes can easily be made without altering the plumbing behind the wall.

The rough-in with stops allows you to shut off the water right at the shower, rather than at the main shut off.
