

San Souci®

one-piece round-front 1.28 gpf toilet
K-4007

Features

- One-piece toilets integrate the tank and bowl into a seamless, easy-to-clean design.
- Round-front bowl offers an ideal solution for smaller bathrooms and powder rooms.
- Low-profile design.
- 1.28 gpf (4.8 lpf).
- Left-hand Polished Chrome trip lever.
- Includes K-4009 Reveal® Quiet-Close™ seat.

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank, bowl, and trapway to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow into the bowl from all sides (360°), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

Installation

- Standard 12" (305 mm) rough-in.
- Supply line sold separately.

Water Conservation & Rebates

- Eligible for consumer rebates in some municipalities.
