## BROOKMORE

---

Something new, something fresh. The perfect blend of modern design and impeccable craftsmanship. The sink is an excellent combination of bold design and functionality. The satin finish ensures a tasteful and clean aesthetic to match perfectly with any kitchen interior. Find the perfect solution for any kitchen from our wide range of models.

## Start your days in the best of ways in a modern looking kitchen

Combine the Brookmore stainless steel sink collection to create something truly unique that fits both prepping and cleaning needs. Made with high quality 18-gauge stainless steel with a rich chromium content that helps shield the material from corrosion and prevents bacterial growth. The streamlined look with a striking satin finish that will stand up to heavy use and retain its beauty for years.

### Spacious 9" Deep Bowl

High capacity sink perfect for soaking and washing stacks of dishes.

### High Quality Stainless

18 gauge high-quality stainless steel with exceptional resistance to staining and corrosion.

### Rear & Offset Drains

The placement of the drain has been designed to maximize bowl space. The flat even bottom of the bowl allows glassware to stand up.

## Refine, enhance, upgrade

It's easy to change the look of any kitchen and create something that feels completely new without remodeling the entire space. Our revolutionary EZ Torque™ installation on select models is a simplified fastener system that allows you to install the sink in just a few simple steps. Easier installation means enjoying your kitchen sooner.

Hassle free installation, drop and drill your sink securely into place.

Drop sink into the countertop.

Tighten fasteners to secure in place.

Scan to see how it is installed
