Advanced Clean® 3.0 SpaLet® Seat
with Remote Control Operation

Advanced Clean® 3.0 SpaLet® Seat with Remote Control Operation

❑ **8018A60GRC-020 -** Elongated Seat

- Two independent water sprays for independent front and back cleansing
- The dual water spray system is self cleansing. Each nozzle is rinsed with water before and after each use.
- Instant heating provides unlimited warm water on demand
- The warm air dryer has 3 air temperatures (Low, Medium, High: 104°F to 131°F)
- The heated seat function has 5 levels: 3 preset and 2 additional customer settings. Temperature can be easily adjusted for comfort
- The massage feature alternates between strong and mild sprays, creating a pulsating effect that indulges the user. Posterior spray only.
- 5 Nozzle positions to personalize your cleansing experience
- The auto deodorizer uses active charcoal to reduce the odors in the bowl. Operation begins once the user sits down on the seat and continues for 5 seconds after the user stands up
- Air Shield technology deodorizes the air in the bowl.
- Slow-close seat and lid
- One button push that allows the user to easily detach the seat for convenient cleaning of hard-to-reach areas
- 104 mm Slim design for use with most elongated bowls
- Premist to maintain the cleanliness of the bowl
- Seamless seat for convenient cleaning
- One-touch power save (8 hours)
- Color-matched remote control included
- Seat weighs 9.48 lbs. (4.3 kg)
