Introducing our first digital recording monitors to include Wi-Fi and Bluetooth connectivity. With the added ability to stream and/or record inspections to the latest iOS or Android devices. Enabling fast, efficient results.

Wi-Fi and Bluetooth
- Stream or record inspections to an iOS or Android phone or tablet with the free HQx Live companion app

Storage Option
- Capture images and video directly to a USB drive

Water-resistant keyboard
- Direct control of camera and monitor functions

Transport and Storage
- CS6x mounts to the SeeSnake Max rM200 docking handle for easy transport and storage
- CS6xPak docks onto the SeeSnake Compact2 and quickly detaches for convenient placement

Daylight Viewable Display
- Provides a crisp, clear, in-pipe image
