

LIMITED WARRANTY

AS America, Inc. dba American Standard Brands warrants that its DXV lighting products are free from imperfections in materials and workmanship with a one-year warranty from the date of initial purchase. This warranty is non-transferable to subsequent purchasers or owners. The sole exception to the non-transferability of this warranty is that if this product is purchased by a plumber, contractor or other service provider, this warranty extends to the first property owner on whose behalf the product was purchased for installation. For this warranty to become effective, the warranty registration process must be completed via the internet or telephone per the warranty registration instructions.

This warranty DOES NOT COVER the following:

- Defects or damage arising from shipping, installation, alterations, accidents, abuse, misuse, lack of proper maintenance and use of other than genuine American Standard Brands replacement parts, in all cases whether caused by a plumbing contractor, service company, the owner or any other person.
- Because American Standard Brands cannot control the quality of products sold by unauthorized sellers, this warranty applies only to American Standard Brands products which were purchased from American Standard Brands or an American Standard Brands authorized seller, unless otherwise prohibited by law. American Standard Brands reserves the right to reject warranty claims from purchasers for products purchased from unauthorized sellers, including unauthorized internet sites.
- Deterioration through normal wear and tear.
- Expense of normal maintenance
- Postage or shipping costs for returning products for repairs or replacement under this warranty and labor or other costs incurred in connection with product removal or installation under this warranty.
- ANY LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED. Some States or provinces do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you.
- ANY IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY OR FITNESS FOR PURPOSE INTENDED BEYOND THE DURATION OF THIS WARRANTY. Some States or provinces do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you.
- Responsibility for compliance with local code requirements. (Since local code requirements vary greatly, distributors, dealers, installation contractors and users of plumbing products should determine whether there are any code restrictions on the installation or use of a specific product.)
