

A white American Standard toilet is the central focus, set in a bathroom with light-colored stone tiles. To the left, a wooden vanity holds a roll of toilet paper. A lit candle in a decorative holder sits on the toilet tank. A woven basket is on the floor to the left of the toilet. The floor is a mix of wood-look planks and stone tiles.

5214 210	Elongated Traditional Slow Close toilet Seat

CHINAWARE COLOURS

1. CleanCurve™ Rim Design

Unique rim design eliminates hidden, hard to reach surfaces where dirt and build-up hide.

2. VorMax Flushing Action

Delivers a powerful jet of water that completely scrubs the bowl clean from top to bottom, eliminating everything in its path.

3. EverClean® Surface

Toilet surface is over 2X smoother than ordinary toilets surfaces thus eliminating dirt from sticking and staining. Includes antimicrobial properties that inhibit the growth of stain and odor causing bacteria, mold and mildew on the surface.

4. Obtains Best 1,000 g MaP Flush Score[†]

* Source: IAPMO R&T Labs Test Report No. 109-141486-002, comparing VorMax against conventional under-the-rim-water-dispersal toilets from major retailers.
