

AquaWash® BIDET SEAT

5900A.05G Elongated bidet seat

AquaWash bidet seat features a modern design with a slim 60mm telescoping seat that accompanies any décor. This seat features a water pressured bidet seat with adjustable spray patterns and detachable nozzles; no electrical power required. This seat also features a one button push lift-off for easier cleaning; slow close hinges to prevent slamming of the seat and top mount installation for easier install. Fits most conventional toilets.

- Non-electric bidet feature with adjustable spray patterns and detachable nozzles
- Seamless telescoping lid design to conceal the ring
- Slow-close hinges to prevent slamming of the seat
- One button push lift-off feature for easier cleaning
- Durable polypropylene plastic
- Top mount installation for easier install
- Includes mounting hardware, water supply and adapter
